Cantex, Inc.		5121110	3 UL80 30 BND STD R	\$10,000.00	41	\$410,000.00

Note: Repfabric is an excellent CRM and sales data management platform for multi-line manufacturers reps. The platform is incredibly intuitive and user-friendly, making it easy to manage data, sales and commissions across multiple manufacturer lines. As reps, we understand the complexities of multi-line selling. That's why we created Repfabric, the CRM, sales reporting, and commission tracking tool uniquely tailored to the needs of manufacturers, sales reps, and distributors.
